

ST AUGUSTINE'S
COLLEGE OF THEOLOGY

Trustee and Treasurer (voluntary)

St Augustine's College of Theology is the longest serving non-residential theological college in the Church of England providing ministerial formation specially designed for the contemporary Church and its mission.

Following changes to our governance structure, and to support our ongoing vision for growth, we are looking for an individual with commercial and/or financial experience to join our board of Trustees and to take on responsibility as treasurer with effect from October 2019.

The Trustee board, currently made up of lay and ordained members with a wide range of different experience, oversees the life of the college with the Principal, Revd Dr Alan Gregory.

The person appointed will need to be available for Trustee and Council of Reference meetings, normally 8 meetings each a year, (week days) in West Malling and London. The role will require on average one day a month (including those meetings). All reasonable expenses will be reimbursed.

The College invites expressions of interest, with details of relevant experience, **by 31st January 2019:**
