

St Augustine's Your Local Theological College

Yes, you have one! This is what we offer you:

Deepen your Faith? Try our regular workshops and short courses.

Having more time for learning? St Augustine's offers Certificate, Diploma and BA courses for those new to studying theology.

Still wondering? If studying theology still seems a big step, you won't regret joining us for one of our 'taster' modules in Biblical Studies, Church History or Spirituality.

Wanting more? Our MA and Graduate Diploma courses offer an ideal form of advanced study for anyone who has a previous degree in theology or a related subject.

Called to licensed lay or ordained ministry in the Church of England? If you think God may be summoning you to this life, please talk to your parish priest or contact your diocesan Director of Ordinands or the Warden of Readers.

We are the longest serving non-residential theological college in the Church of England. Our students benefit from an experienced and highly qualified staff, excellent facilities at our teaching centres at Trinity House (Southwark) and Malling Abbey (West Malling), and growing library collections at both centres.

Come and visit us! You'll find a warm welcome at our Open Events, Taster Fridays, and 'In Residence' Saturdays.
