

God, the Planet & Us

Explore faith, creation, & your place in the world

Are questions about the climate crisis, discipleship, and Christian responsibility weighing on your mind?

God, the Planet and Us is a five week online course inviting you to join leading theologians, scientists and biblical scholars to explore how faith and the environmental crisis speak into your relationship with God's creation.

 Open to all
 22 Sept - 20 Oct 2026
Online

 7:30 – 9:00 PM

 £50

Free places available for people facing economic hardship.

God, the Planet & Us

A short online course by
St Augustine's College of Theology

What you'll study

- Science
- The Bible
- Theological perspectives
- Spirituality & action

Why join?

- Engage thoughtfully with one of the most pressing questions of our time
- Connect with others in a supportive online setting
- Be encouraged to think theologically about faith, ethics, and the environment

Here's what past participants loved about the course:

"The contents were really carefully selected."

"All sessions were great!"

"A very enjoyable and informative course."

"I felt privileged to be accepted on the course."
